

POST HOSPITALISATION CLAIM REQUEST

This is **Abhishek Kumar Singh** from **Boeing India Pvt. Ltd.** My Boeing bemsid is – **3053684**,
ICICI policy number - 4016/X/198469072/03/000

My Mother Patient name – **Anita kumari** with Card no . – **IL22265190603** was hospitalized on **22nd March 2023** and was **discharged on 24th March 2023** from **RUBAN MEMORIAL HOSPITAL PATNA**. I have also taken cashless claim during hospitalization with **AL number : 110201458572-1** .

Now, I want to do post hospitalization claim for the same. Now as our policy has been updated this year so I am unable to do post hospitalization claim in ILtakecare app as the app is only allowing hospitalization claim from April 2023.

My mother was discharged on 24th March 2023 so as per policy I should be able to do post hospitalization claims till 23th May 2023 (which is 60 days). But as the financial year and policy got updated the claim for hospitalization till March is not happening in the app.

Hence, I am sending all documents: 1) CLAIM FORM 2) DISCHARGE SUMMARY 3) ALL INVESTIGATION REPORT
4) ALL MEDICAL BILL RECEIPT 5) BANK STATEMENT 6) AADHAR PAN CARD OF EMPLOYEE.

Please approve my post hospitalization claim of Rs 10,303 after verifying all the document I am sending.

Thanks,
Abhishek Kumar Singh
